

EXAMINATION COMMITTEE

VISION

To create a strong, efficient, student-focused, flexible, and transparent evaluation system that ensures reliable testing and assessment methods while maintaining a strict zero-tolerance policy for unfair practices and inefficiencies.

MISSION

To develop and implement operational strategies that guarantees the highest standards of examination quality.

To adopt a state-of-the-art computerized examination system that aligns with technological advancements and fosters transparency in the assessment process

OBJECTIVES

1. To create awareness of the assessment process and practices of the College to the students and the faculty through orientation programmes.
2. To process and manage examinations as per the regulations of the college and the academic calendar in line with the statutory and regulatory bodies.
3. To continually improve assessment practices through stakeholder engagement by innovative initiatives in order to enhance the quality of teaching and learning process in the College.
4. To ensure the process of awarding Degrees for various programmes adhering to agreed timelines and the University regulations.
