

LIBRARY COMMITTEE

The **Library Committee** is responsible for ensuring that the library remains a central resource for academic learning and research. Its purpose is to oversee the acquisition of books, journals, digital resources, and other learning materials, ensuring the library's collection is up-to-date and relevant to the institution's academic needs. The committee manages the overall functioning of the library, develops policies for access and use of resources, and ensures that students and faculty are equipped with the tools needed for research and study. Additionally, the committee may organize workshops on research skills, information literacy, and library resource utilization.
