

# VALUE ADDED COURSES COMMITTEE

## VISION

Our vision is:

- To be a leading committee in developing innovative and impactful value-added courses that bridge the gap between academic learning and real-world application.
- To create a diverse range of opportunities that enable students to expand their expertise, enhance their professional skills, and become well-rounded, future-ready individuals.

## MISSION

The mission of the Value-Added Course Committee is:

- To design and deliver supplementary courses and programs that equip students with practical skills, knowledge, and competencies beyond the standard curriculum.
- To empower learners with industry-relevant training, foster personal growth.
- To enhance employability, helping students stay competitive in an ever-evolving global landscape.

**OBJECTIVE:** It focuses on enhancing the educational experience by developing and promoting courses that offer additional skills, knowledge, and competencies beyond the core curriculum.
